DECLARATION UNDER 37 C.F.R. § 1.131Commissioner for Patents
Washington, D.C. 20231

This declaration is submitted under 37 C.F.R. § 1.131, prior to any final rejection, with respect to U.S. Patent Application Serial Number 09/995,432 (the "Application") to establish conception and reduction to practice of the subject matter of the rejected claims prior to the effective date of the cited art (i.e., U.S. Pat. Pub. No. 2003/0040272, applied for by Lelievre et al.), upon which the rejection is based.

I, Peter Wolochow, do hereby declare:

1. On November 27, 2001, the filing date of the Application, I was an employee of Intel Corporation, the assignee of the Application.
2. I am one of the inventors of the subject matter of the Application.
3. Prior to the filing date, I conceived the invention in the United States as evidenced by a copy of a signed invention disclosure form attached hereto as Exhibit A.
4. The invention disclosure of Exhibit A was prepared by me at least as early as May 7, 2001.
5. The invention disclosure of Exhibit A was signed by my Supervisor at that time, on May

7, 2001.

6. I diligently worked to constructively reduce the inventive subject matter to practice as evidenced by the filing of the Application for the claimed embodiments of the invention. On information and belief, the invention disclosure was received by the law firm of Schwegman, Lundberg, Woessner & Kluth, P.A. on or about August 9, 2001. I worked with a patent attorney as my other duties permitted in preparing the Application for filing with the United States Patent and Trademark Office. On information and belief, I received at least one draft of the Application for review and revision on or about October 2, 2001.

7. Material redacted from Exhibit A is not related to dating the conception or reduction to practice of the inventive subject matter.

8. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements are made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.
